Cherubim C350

Cherubim C350 Tank

The Cherubim 350 is a compact unit designed with small coffee bars and restaurants in mind. Designed for point-of-use applications to sit or mount under-counter. Compact enough to fit in limited space applications, yet still able to keep up with an espresso machine and single brewer. System Includes 9-gallon tank.

Our systems are 100% designed and hand built by Living Water in California.

Price \$1795 including tax. \$1815 with mag post filter

Additional costs for installation
